With our transfer options, you can combine two or more smaller trips into one overall journey, with one fare.

## *go* card transfer rules

Use your *go* card to tap on and off for each trip. Our system will automatically combine your trips into a single fare.

Train-to-train or tram-to-tram transfers only need to be tapped off at the end of the journey.

- One-hour time limit between transfers
- Maximum of 3 transfers per journey
- Total journey length must be shorter than 6 hours
- Final trip must start within 3.5 hours of first trip

## Paper ticket transfer rules

- Unlimited transfers within 2 hours (3.5 hours if travelling more than 4 zones—SEQ only)
- You must start your final trip before the printed expiry time
- Returning to your initial departure destination is not permitted—you must purchase another paper ticket to do this

Please note, [Kilcoy](#) and the [Sunshine Coast Hinterland](#) are not part of the [South East Queensland](#) fare network. Separate tickets are needed if you are travelling in these regions.
