Shorncliffe mid-week evening track closures

[Print](#) 

Last reviewed: Friday 29 Nov 2024 at 9.00am

From **Monday 8 July 2024 into 2025**, there will be temporary changes to some evening services on the Shorncliffe line.

On days that testing is planned, trains will not run between Northgate and Shorncliffe stations **from 7:45pm to last service**.

Testing is only planned between Monday and Thursday.

December evening track closures

- Monday 9 to Thursday 12 December
- Monday 16 to Thursday 19 December

Travel information

During these closures, [timetabled railbuses](#) will replace trains between Northgate and Shorncliffe stations to get you where you need to be.

Railbus **[R348](#)** will stop at all stations between Northgate and Shorncliffe stations and will depart approximately every 30 minutes.

Shorncliffe line trains will continue to run between Northgate and Roma Street stations.

Please allow extra travel time and [plan your journey](#) closer to the date to find your fastest travel option.

Bikes and e-scooters are not permitted on railbuses.

Map of closure

What works are happening?

Cross River Rail is testing the new world-class signalling system, the European Train Control System (ETCS), on the Shorncliffe line. Testing ETCS to confirm the system meets safety regulations and operational requirements is an important step before testing in the Cross River Rail tunnels can commence.

During this period, you may see trains travelling on the Shorncliffe line and stopping at some stations. These trains are undergoing important testing and are not in service.

For more information on the Cross River Rail project, visit the [Cross River Rail website](https://www.crossriverrail.qld.gov.au).

Ticket and fare information

Normal fares and conditions apply on all scheduled services.

Need assistance?

If you need assistance with station access, contact Queensland Rail. For:

- general enquiries call **13 16 17** during business hours
- accessibility assistance SMS **0428 774 636** at any time.

For general information outside of business hours, call our contact centre on **13 12 30**.
