Parking

Print 

We provide dedicated parking facilities close to public transport hubs.

Park 'n' ride facilities allow customers to 'park' their vehicle and 'ride' public transport to complete their journey.

Train station carpark are managed by Queensland Rail. Some bus and ferry terminals have carpark managed by Brisbane City Council.

Park 'n' ride train station, bus, ferry and tram carpark locations are listed below with the approximate number of parking spaces.

Please note: A vehicle may be parked at a park 'n' ride from first until last service. If a vehicle remains parked and unmoved for an extended period of days, the vehicle may be treated as abandoned and appropriate authorities will be contacted.

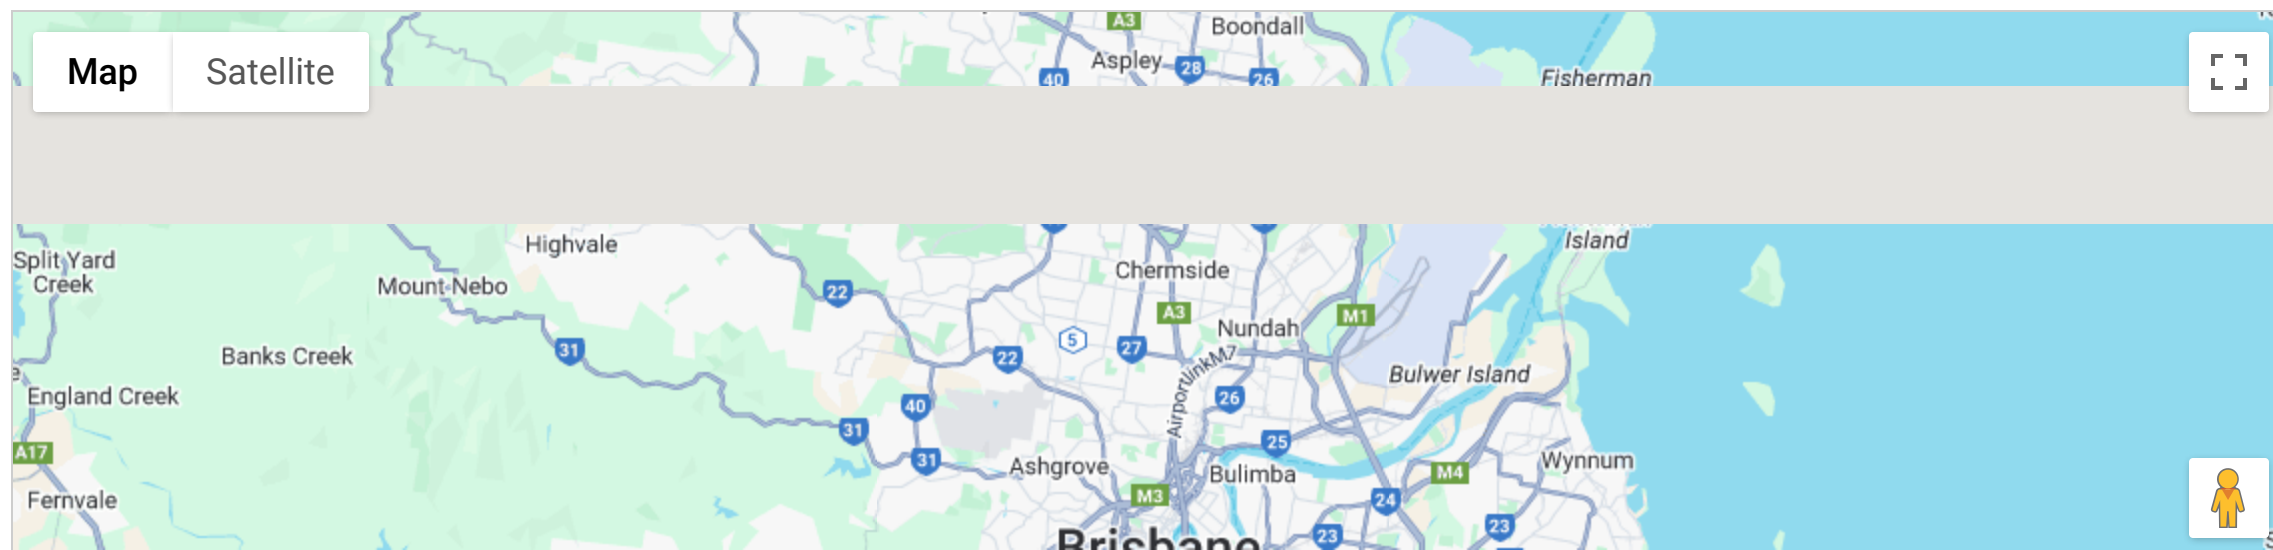

Stations are subject to closure for upgrades and other works. Please check our [service updates](#) page and use [journey planner](#) for up-to-date information regarding current closures and upcoming changes.
