Mackay bus service upgrades

[Print](#) 

8 February 2022 |

Mackay public transport customers started 2022 with a number of improvements to five local bus routes.

TransLink, in partnership Mackay Transit Coaches, introduced a realignment and minor timetable changes to three routes, providing more public transport options and increased capacity for school students.

Two other routes had changes to the timing of the last run and a realignment. These were in response to customer demand and improving customer safety.
