About Brisbane Metro

This is the first phase of welcoming Brisbane Metro to our network ahead of more changes to Brisbane's bus network later this year.

To catch a metro, hail the service like you would a bus or use the help phone on the platform to request the service. Once the vehicle has stopped, press the 'door open' button and board through the first, middle or rear doors.

More information about how to use a metro service is available on the [Brisbane Metro website](#).
