Helpful tips for school students

Getting to and from school

- Make sure you have your ticket or go card, student ID, and are wearing your uniform.
- Arrive at the bus stop, ferry terminal, tram or train station a few minutes early (about 5 minutes is best).
- If you're catching a bus, raise your hand when you see it approaching, to signal the driver to stop. Hailing the bus early gives the driver time to stop safely and smoothly.

Safety for you and your friends

- Please don't distract the driver while travelling, they need to concentrate on their job.
- Keep your belongings in your bag, so you don't lose them.
- Stay in your seat and don't yell.
- Consider other passengers and their right to have a safe and comfortable journey too.

If a service doesn't stop

- Contact your parent/guardian immediately to tell them you have missed your service.
- Never, under any circumstances, accept a ride from a stranger.
- If you decide to board the next service, wait in a safe place.
- If you decide to leave the bus/train/ferry/tram stop, tell your parent/guardian.
- If you are concerned for your safety, call the police on 000.
