Planning an event

Print 

Event organisers

Planning an event in Queensland?

Contact us about public transport arrangements, especially if your event is likely to impact:

- existing transport services
- local residents or businesses
- the safety of people travelling to or from your event.

We recommend registering your interest with us several months in advance, to ensure transport is well planned.

Translink's event team can:

- help source cost-effective transport
- advise of other broader transport service changes, such as rail track closures.

To register your interest contact majorevents.team@translink.com.au.

Planned network changes

For information on planned service changes (like track closures and route diversions) that may clash with your event:

- visit our [service updates](#) page
- check Queensland Rail's [12 month calendar of planned track works](#) .

More information

For more information about transport for events, email majorevents.team@translink.com.au or contact your local [Translink passenger transport office](#).
