On demand Gold Coast

Print

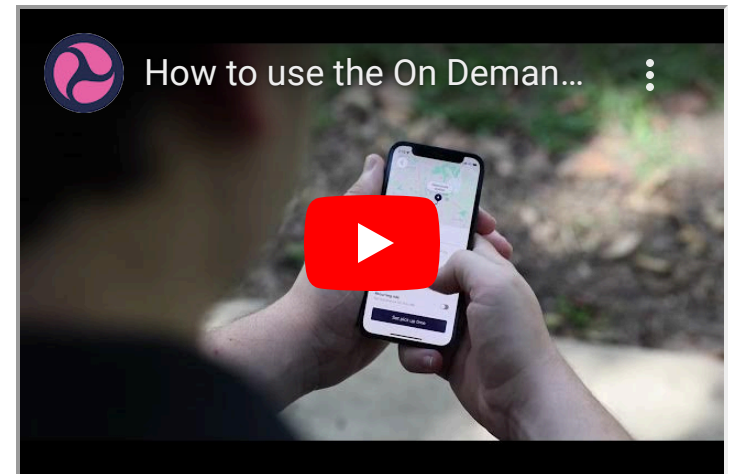

In 2022, On Demand Transport launched in two areas of the northern Gold Coast – Pacific Pines and Nerang/Highland Park.

If you need to get around the Pacific Pines or Nerang/Highland Park areas you can catch an on demand service to connect to the wider public transport network and essential services such as shopping, healthcare and employment.

On Demand Transport is a flexible, shared service that is pre-booked for your convenience.

The trial will run until mid-2025 and we will be actively monitoring and evaluating the service to best respond to community needs.

Where you can travel

This on demand transport service operates in two roam zones.

- Roam zone A – Pacific Pines and parts of Oxenford, Maudsland and Gaven
- Roam zone B – Nerang/Highland Park and parts of Worongary.

You can travel to or from a pickup point close to your home to one of the key locations within your [roam zone](#).

In roam zone A you can travel to/from:

Helensvale station	Bus stop A within the bus station on the western side of the station, Town Centre Drive

Pacific Pines Town Centre	The bus stop on Pitcairn Way, near the southern entrance to the centre
Westfield Helensvale	The bus bay on the southern side of the shopping centre; near entrance D (close to Woolworths, The Market, Suncorp)

In roam zone B you can travel to/from:

To travel beyond your roam zone, simply transfer to a bus, train or tram service at any key location using your *go* card.

Your pickup point

When booking your service, you'll be directed to your pickup point. Most pickup points will be within 400m (5 minutes) from your booking location, however if the bus is unable to safely access your location, or if a road is temporarily closed, you may need to walk up to 1km (10 - 15 minutes) away.

If you have a disability such as a mobility or vision impairment and can't safely and easily get to a pickup point we will aim to pick you up near your booking location. Similar to a regular bus service, you may be required to cross a road, when it is safe to do so, to access the service from your booking location. Make a note of your accessibility requirements in your profile settings when you register. Our smaller buses known as ponchos, are fully accessible, including wheelchair access.

When you can travel

Bookings can be made at any time for trips during these operating hours:

- Weekdays from: 5:30am to 9pm
- Weekends and public holidays from: 8am to 5pm

When you book, you'll be given a window for arrival of your service. This could be up to 30 minutes - the actual wait time will depend on how busy the service is and how many other customers have booked.
