Emily's story

Print 

"I use the bus all the time! I work at a cafe in Hastings St, and it's too hard to find a park.

I can catch either the 626 or 620 from my place, I have my stops saved on [the app](#) so I can check easily. Having that 'real time' means I don't have to leave home until the very last minute. I'm always running behind. Ha!

The 620 services run late too, so I can get home after a night out. I'm a uni student, so it's totally the cheapest way for me.

Oh, I think it's better for the environment too. Less cars on the road. I try to be conscious of that stuff."
