International Women's Day

[Print](#) 

8 March 2021 | Queensland

To celebrate International Women's Day and the Australian theme of 'Women in Leadership: Achieving an equal future in a COVID-19 world', we'd like to introduce you to a few of our inspirational women who are leaders in their areas at TransLink.

As you'll see, they are very passionate about the work they do for Queensland communities and the people they work with, as well as being incredibly hard-working, well-respected and experts at what they do.

Watch their videos to hear about their path to becoming a leader, how they build an inclusive team culture and more!
