Morningside station upgrade

[Print](#) 

Last reviewed: Friday 20 Dec 2024 at 4.19pm

Morningside station is reopening on **Tuesday 31 December!**

[Replan your travel](#) to make the most of your new station.

From **Monday 22 January 2024 until Monday 30 December 2024**, Morningside station will close for a major station accessibility upgrade.

This means **Cleveland line** services will not stop at Morningside for the duration of the works.

While the station is closed, alternative transport options will be available; including the **[new route 237 - Cannon Hill to Morningside service](#)**.

See all the [alternative travel options](#) below.

Key upgrade features

- A new footbridge with lift access
- Improved accessible parking
- Full length high-level platforms
- Upgraded hearing augmentation loops and tactile ground surface indicators
- Upgraded security cameras and lighting
- New wayfinding and platform signage
- Upgraded station office and facilities.

Wynnum Road entrance

The new lift and overpass from Wynnum Road are still under construction and will not be ready for reopening on Tuesday 31 December.

If you are entering the station from the Wynnum Road side, you will need to use the existing pedestrian stairs and overpass to cross the train line.

If are unable to use stairs, you will not be able to enter the station from Wynnum Road. The only accessible station entry point is from Waminda Street.

If you require assistance:

- speak to station staff
- use the help phone on the platform
- call Queensland Rail on **13 16 17** (during business hours only), or
- text Queensland Rail on **0427 774 636**, anytime.

Please note: the new lifts and pedestrian overpass between platform 1 and 2 will be open.

Alternative travel options

Route 237 - Cannon Hill to Morningside

The new **route 237** service will run between Cannon Hill station and Morningside station, with additional stops along Wynnum Road.

This is a temporary service running will finish after the last service **on Sunday 22 December**.

Railbus R581

Between **Monday 23 and Monday 30 December**, **railbus R581** will replace trains between Boggo Road/Park Road and Cannon Hill stations, including Morningside station.

This railbus is running during the [Christmas holiday period track closures](#). Please [plan you travel](#).

Timetables

Route 237 will run every 15 minutes or better in peak hour (6am to 9am, and 3pm to 6pm on weekdays).

Outside of peak hour, the service frequency will match the [Cleveland line](#) schedule at Cannon Hill station.

View the 237 timetable in [journey planner](#) or as a [printable PDF document](#).

Travel to Wynnum West and Cannon Hill

There are a few bus routes that leave from [stop 25 opposite Morningside station](#) that travel towards some Cleveland line suburbs.

Depending on your destination, catching one of these buses may be faster than catching route 237 to Cannon Hill station and transferring to the train there.

Everyday services

- Route [227](#) - Brisbane City to Wynnum Plaza, via Wynnum Road, Cannon Hill shops and Manly Road.

Weekday peak-hour services

- Route [P216](#) - Brisbane City to Carina, via Cannon Hill shops and Tingalpa.
- Route [P228](#) - Brisbane City to Cannon Hill shops, via Wynnum Road.

Park 'n' ride - Norman Park and Cannon Hill

If you normally park at Morningside station, consider using nearby [Norman Park or Cannon Hill stations](#) instead.

Both stations are serviced by Cleveland line services.

Travelling with a bike? Unfortunately [bikes and personal mobility devices](#) are not allowed onboard bus services, including the [237](#).

Check out [Queensland Rail's bike and e-scooter](#) page to see what bike storage facilities are available at [Cannon Hill station](#).

About the program

The Station Accessibility Upgrade Program is an ongoing body of work by Queensland Rail to deliver upgraded stations and facilities that are easy to get to and use.
