Late night services

Print

Our late night bus, train and tram services will help you get home after a Friday or Saturday night out.

Many regular buses are provided as a Nightlink service after midnight. Use [journey planner](#) to see which services operate and when, and where to catch them from.

We also occasionally put on extra services for special events—see the [event transport page](#) for more details.

Secure taxi ranks

Secure taxi ranks operate in popular nightlife precincts on Friday and Saturday nights, and for some special events. They are staffed by taxi rank marshals and security guards and monitored by CCTV.

Late night FlatFare taxis are available from some secure ranks and usually work out cheaper than using a regular taxi.
