# Browser support

[Print](#) 

Our website is compatible with a range of browsers, devices and platforms. It conforms to international web standards and best practice, and is regularly tested in different browsers. We regularly review our website statistics to ensure our online services are tested on the operating systems, browsers and devices our customers are using.

Translink adopts the Queensland Government's [browser support guidelines](#) . These guidelines include minimum version support for browsers used by our customers.

This website supports the latest and 2 most recent versions of Chrome, Firefox, Internet Explorer and Safari for Mac. There may be reduced support for older or less common browsers.
