Off-peak times

Print 🖶

Off-peak services run during the following times:

- weekdays: 8:30am-3:30pm and 7pm-6am the next day
- weekends: all day
- state-wide Queensland gazetted public holidays: all day.

If you transfer between services on a multi-trip journey across peak and off-peak times, your go card will automatically calculate the fare as a combination of peak and off-peak.

After midnight

Our fares and ticketing 'day' starts at 3am and ends at 2:59am the following morning.

This means if you catch a service that operates past midnight on Friday but before 3am Saturday, it will still be considered a Friday service.
